

Fees and Charges

All fees and charges at the Centre are calculated to include G.S.T. The cost of meals and daily / nightly programme charges are set at differential rates according to the age and origin of different client groups. Education Queensland students are afforded both preference in access to facilities and services and also reduced fees and charges. Meal Fees have increased from January 1st 2006.

Fees Explained:

Single Day visits include all day visits between 9.00 am to 4.00 pm - only one meal is factored in to calculation. All other visits (except 6 day) include arrival prior to lunch on the first day and departure after lunch on final day. 6 Day visit fees are calculated on a mid afternoon arrival prior to evening meal and departure after lunch on final day.

For all educational programs, costs cover food, accommodation and the use of all facilities. In addition, a Centre co-ordinator and sufficient teaching staff are allocated to support the requested programmes at no extra cost. The daily operations charge applies for full or part days. There is no charge for accompanying school staff.

Adult Programs are for conference facility ONLY (meals and accommodation).

Costs for overnight camping in adjacent National Parks, State Forests and private land holdings are included in the programme costs.

Off site Student Programmes

Schools may wish to run part or all of their programme at another venue (eg school or local reserve). This will attract a daily operational fee of \$5.50 per student plus reimbursement for staff travel and accommodation.
