---

---

---

**IMPORTANT NOTES**

**If any of the Key Questions 6, 7 or 8 are responded to:**

- It is advised that you consult your doctor before attending camp.
- Your doctor may contact the teacher in charge of the camp at your school and/or Maroon Outdoor Education Centre (5463 6333).
- A letter from this person's doctor outlining the participant's management may accompany this form when it is returned. Included in the management plan could be the following:
  - Preventative steps to avoid onset of the condition.
  - Warning signs for the onset of a severe incident.
  - Best strategies for obtaining relief.

**NOTES FOR DOCTORS:**

- Programs conducted at Maroon OEC involve a high level of physical activity and are conducted predominantly out of doors.
- Maroon OEC is a 30 minute drive from the nearest ambulance, doctor or hospital and, in some instances, the response time for medical attention may exceed 3 hours.
- Maroon Outdoor Education Centre staff carry first aid kits and are trained to an intermediate first aid level.

I declare that the information provided on this form is complete and correct.
